Patio Glo™  
Outdoor Gas Light

# A little romance & a lot of convenience

Illuminate your outdoor living room with the instant glow of gas.

Lighting adds the finishing touch to any living area, indoors or out. The Patio Glo™ light provides a soft, ambient glow that beautifies your outdoor living room. No need to fuss with gas or electrical lines here—the Patio Glo™ light uses replaceable liquid propane canisters for accent lighting with the old-world charm of a true gas flame.

## Patio Glo™ Light

- Open gas flame provides soft, romantic lighting.
- Easily mounts to deck rails or other solid outdoor structures with four carriage bolts (included).
- Optional adapter sleeve for mounting in table umbrella socket (Adapt-SLV).
- Electronic ignition (IPI) means you simply flip the switch, hear the spark, and see the flame. (Two “D” cell batteries required.)
- Package includes lamp head, post, base with door, and fastener pack.
- Fueled by replaceable 1 lb. propane cylinders for more than 15 hours of lighting.
- Durable design offers years of worry-free performance.
- Limited warranty provided on all parts\*.
